An Event Benefiting Mission Valley and Toby Wells YMCAs

A NIGHT IN FLIGHT

Sponsorship Opportunities

The Mission Valley and Toby Wells YMCAs offer a variety of programs, services, and initiatives that enable kids to realize their potential, offer ways for families to have fun together, and empower people to live healthier lives. The Y recognizes the importance of connection and our responsibility to provide opportunities that will enable families to grow and thrive.

Please join us in our mission by supporting A Night in Flight on September 7, 2024, at Crownair Aviation. All the net proceeds raised will fund critical programs and services that promote youth mental health and well-being. Our event in 2023 raised more than \$120,000, which sponsored essential programs for youth and teens, including adaptive swim, gymnastics, and camp programming.

Please consider sponsoring our event, and help support hundreds of deserving children and families.
