TESTIMONIAL

My daughter has been attending camp at the YMCA with the support of an inclusion aide for several years now and enjoys every minute of it! She comes home happy, tired, and excited for the next day! The entire staff at our local Y is always welcoming, friendly and supportive. As a special needs parent, knowing that she is safe and has the support she needs at camp is a weight off my shoulders. The YMCA's program has been a life saver for our family, and I cannot say enough good things about it! I recommend it to every family I encounter!
