TESTIMONIAL

"We lost our home and I was living in my car with my two children. Someone told me to go to the YMCA to ask for help, so I did. The staff there were so welcoming and encouraging. They provided an immediate scholarship so we could shower and helped connect us to childcare, emergency housing and other resources. We hope to be moving to permanent housing soon, I'm studying cosmetology and my kids have a safe place to go after school. The South Bay YMCA team are my angels!"
