TESTIMONIAL

"I always had a lot of anxiety about going to gyms, but finally made the decision to bring my son to the YMCA so that he could exercise, take classes and just get out. He is physically disabled, and it has been a great help. He really loves it and the staff are so kind and caring. It brings me so much joy that my son wants to come to the YMCA - it helps with his physical strength as well as his spirit. We truly enjoy the YMCA."
