**TESTIMONIAL**

Last year, 50 children from the Escondido School District were scholarshiped by generous donors to attend YMCA Camp Surf in Imperial Beach. Many of these children had never been to the beach much less surfing. They disconnected from TV and social media and spent a week being a kid in the outdoors.

"I feel like I kind of am a new person, I was meeting new friends, doing new things and getting out of my comfort zone. This experience at the YMCA has made this life better, and made me dream bigger about things, learning stuff that I didn't even know a nine-year-old could do." - Jameson
