YMCA CAMP SURF

FALL FAMILY CABIN RENTALS

HEALTH AND SAFETY INFORMATION

- California and San Diego County Department of Health regulations applicable at the time of families' stay will be followed. **These may change with little advance notice** – either further easing or tightening – and in order to continue to operate we will have no choice but to change our protocol accordingly.
- Family members are asked to monitor health and temperatures for 14 days prior to coming to camp. If any member of the reservation party shows symptoms, is exposed to someone with COVID, or who tests positive for COVID the reservation may be cancelled or postponed at no cost.
- Common areas will be thoroughly cleaned and sanitized throughout families stay.
- All family members agree to report any COVID Indicating Symptoms should they present within 14 days after departing.
- All guests are required to undergo a health screen (questions and temperature check) upon arrival.
- Handwashing and hand sanitizer is available throughout the facility and use is highly encouraged after each activity.
- All Camp Surf staff are screened daily. Should any staff member indicate possible symptoms of COVID-19 they will be quarantined and tested per state and local regulations.
- No meal service will be offered by YMCA staff.
- Family table assignments will be made to ensure appropriate social distancing.
- All minors must be accompanied by a parent to any activity area.
- Proper cleaning protocols should be followed at each location to sanitize equipment between participants from different families.
- Proper social distancing between families should be followed at all times, including evening campfires.
- **NO LIFEGUARD SERVICE** will be provided by YMCA Camp Surf during your stay. Guests are encouraged to walk to Imperial Beach (directly south of camp) in order to utilize beaches patrolled by the Imperial Beach Lifeguard Service from 7am to dusk daily.
