

FOR YOUTH DEVELOPMENT®  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY

Out of an abundance of caution for our providers, families, children and our staff due to COVID-19, we will **NOT** be accepting walk-ins at our office. We are asking that all attendance sheets be mailed or dropped in the drop box, outside of our building. Due to this change in process, we will no longer be following the A-L, M-Z attendance sheet due dates. However, we will be ensuring that all payments are issued within 21 days of receipt, in the order in which they are received. As always, we highly encourage all providers to make copies of the attendance sheet before you turn them in.

If you have changes or closures that you need to report, please contact your Provider Compliance Specialist via email OR phone at (619) 521-3055. Contact information is provided below, based on the first letter of your last name or the first letter of your Center name.

Letters	Provider Compliance Specialist	Email	Extension

### **Frequently Asked Questions**

**Q. Parents of elementary students enrolled at our center are requesting that we provide full time daycare for them during this time due to the closure. Will YMCA compensate for full time tuition rates?**

A. If a family is currently approved for off-track, full-time (30+ hours per week) then, yes we can pay full time rates up to the maximum allowable reimbursement rates (RMR).

**Q. If we enroll new elementary students needing care during this time, will YMCA compensate for them as well?**

A. Please advise any families that are inquiring about enrolling, to reach out to their Family Advocate as soon as possible to get the process started.

**Q. If I close my business due to COVID-19 concern and I exceed the 10 non-operational days that I have for the fiscal year, will I be reimbursed for the closure?**

A. The State Superintendent of Public Instruction (SSPI) is working with the Governor's Office to Issue an Executive Order that will provide further guidance on this issue.

## Resources for Providers

### **FREE Meal Service Program for Children 18 and under**

The California Department of Education (CDE) has received a special waiver called CA COVID19 from the United States Department of Agriculture (USDA) that will enable a school district that had previously been approved to operate the Summer Food Service Program (SFSP) or Seamless Summer Option (SSO) to provide meals to students during a coronavirus-related closure.

SFSP and SSO are both federally funded and state-administered programs that serve free meals to children eighteen and younger when school is not in session and in communities where 50 percent or more of the students qualify for free and reduced-priced meals.

Students will not be required to remain on-site to consume the meal and can take the meal and go, which is not the usual federal guideline. This exception was made to enable students to continue to be fed without increasing the risk of spreading germs.
