Summer Camp Guide

TOBY WELLS YMCA

ABOVE AND BEYOND

The YMCA of San Diego County has been serving families for the past 138 years. Together, we've seen our share of challenges, and the COVID-19 pandemic continues to be one we're facing together.

We continue to work with federal, state and local officials as well as the American Camp Association and Y-USA experts on protective measures to ensure a safe environment for all. These include but are not limited to:

- Daily temperature checks for all campers and staff
- Social distancing
- Frequent hand washing
- Enhanced sanitizing practices
- Stable camp groups
- Limited to zero interactions with other camp groups

While camp may look different this year, the fun, educational and energetic experience you've come to expect from our Y camps will remain the same.

Our camps are ACA Accredited

The American Camp Association is the only nationwide organization that accredits children's camps. The ACA Accreditation process is a commitment by camps to the highest standards of health, safety and program quality. Accreditation requirements include a focus on staff qualifications, training, supervision ratios and procedures, as well as operational management including safety regulations and emergency procedures and communications.

Camp Ratios:

- Age 5 - 1 staff to 6 children
- Ages 6 to 8 - 1 staff to 8 children
- Ages 9 to 14 - 1 staff to 10 children
- Ages 15 to 18 - 1 staff to 12 teens

HERE'S WHAT PARENTS HAVE TO SAY....

"My son attended four camps this year and he was excited to get up and go every time. Thanks for having enthusiastic counselors and phenomenal leaders. Keep up the great work."

"The counselor made my daughter feel very comfortable on her first day, her first time at a day camp. The counselors seemed well trained, coordinated and focused on keeping the kids engaged to have a positive experience. We will be back. She told me she is excited for her sister to be with her next year. Thanks!"
