ADVENTURE GUIDES

Frequently Asked Questions

I think I am a Y member, so is my Adventure Guides joining fee waived?

Joining fee is waived with a current Y Family Membership. The Registration Department can verify if you have a current Y Family Membership. Y membership must remain active for the entirety of the season to receive member pricing for campouts.

Is the Adventure Guides joining fee a Y Membership?

No, this is not a YMCA Membership, it is an Annual Program Joining Fee specific to Adventure Guides.

What are the child age restrictions?

Our program is targeted for families with children ages 5-12 years (13 y/o okay).

Can I try a campout for free?

If you would like to "Try a Campout" as a Guest, you can pay and register for (1) campout without paying the Annual Club Joining Fee. When you attend your second campout, you will then need to join an Adventure Club and pay the annual joining.

Why do you need my drivers license?

If your Adventure Club is camping on base at Camp Pendleton during the season, we will need to submit driver's license info for all registered adults attending the campout.

How often do the Adventure Clubs camp?

The program runs... and most clubs camp once per month (excluding December).

What camping gear do I need?

You will need the camping basics to attend our primitive tent camping events: tent, ground cloth, sleeping bags, mattress pad, camp chairs and lantern. Your meals, food, food prep items are usually coordinated within your smaller Adventure Club.

How do I register?

You can register by calling 858-514-4411, by visiting ymcasd.org/mottinoadventure or register in person at the Mottino Family YMCA front desk. For more information contact Susie Ferrer at sferrer@ymcasd.org.
