OVERVIEW

The Jackie Robinson Family YMCA is committed to the continued growth of our community, and we believe that the development and growth of our youth is essential. For this reason, we are pleased to announce the **Annual Jackie Robinson Family YMCA Awards** for high school seniors. The Jackie Robinson Family YMCA is making these scholarships available to support and encourage the pursuit of higher education in an effort to create avenues of opportunity for academic, social and career success.

Awards | The Jackie Robinson Family YMCA will award scholarships to graduating high school seniors. Scholarships are paid upon verification of college enrollment and sent directly to the educational institution.

Eligibility | The scholarship is offered to all high school seniors graduating this school year who live in a community serviced by the Jackie Robinson Family YMCA. Special consideration may be given to those who have a history of involvement with the Jackie Robinson Family YMCA.

Deadline for Applications | Application must be received by the JRYMCA no later than **Friday, January 31st, 2025**. NO applications will be accepted after the deadline OR if any of the application procedures are omitted. All determinations made by the Scholarship Committee will be final.

Selection Process | All applications will be reviewed by the selection committee. If you are one of the finalists selected, you will be interviewed by appointment at the Jackie Robinson Family YMCA. Awardees will be selected and notified in the next week. Scholarship awardees are required to take part in a video interview and attend an orientation/parent meeting during the month of April.
