Know Before You Go Swimming in the Lap Pool:

- YMCA Lifeguard has final authority.
- Swimmers are expected to share lanes if the pool is busy and circle swim with up to four swimmers per lane. Before sharing a lane, we ask that all patrons grab the attention of any swimmer in the lane to confirm they prepared for another swimmer to join them and avoid any collisions.
- Water Group Exercise classes are scheduled 10mins prior to the class start time to allow Lifeguards to move lane lines and staff to prepare for their class. Classes are scheduled 5mins after the class end time to allow Lifeguards to move lane lines for lap swim.
- Families utilizing Family Swim in the Lap Pool must remain in proper ratio of one adult to one child. Children must pass a swim test or wear a lifejacket and remain within arms reach of the adult while swimming. Children under the age of 6years old must have a parent in the water with them at all times. Waterproof swim diapers are required for any child not yet potty trained.
- Our shallow lanes, lanes 8-10, and the first deep end lane, Lane 1, may be used for swim lessons at any given time. We kindly ask all swimmers and water walkers to ensure enough space and room for our program participants.
- Please sign up for our text alerts for closures, special reservations, and updates! See front desk for information.

Hours of Operation:

Monday: 5:30am—7:00pm
Tuesday: 5:30am—7:00pm
Wednesday: 5:30am—7:00pm
